# Explore together: the journey roadmap

- Agility
  - The need for change
  - Decision making
  - Executing the change

# The IR beginning

- 2019 launch
- How did the IR fall short in its mission?

# Decision making

- 2022 – a need for a new IR
- Back to the drawing board in diving into what IR platforms are available
- User experience needs to change

# Executing the change

- “Nothing is absolute. Everything changes, everything revolves, everything flies and goes away”—Frida Kahlo
- 2023~ the transition to a new IR

# The user experience

- Big improvements!

# Parting words

- Lessons learned
  - Be willing to make changes
  - Change can help your user experience

# Thank you!
